ABOUT THE COMPETITION

Alka Memorial Mathematical Competition is one of the most important annual activities of the Jammu Mathematical Society. It is a Mathematical Competition for UG and PG students based on a written examination with multiple choice questions. This activity is conducted in the memory of Miss Alka Gupta, a very bright former student of the Department of Mathematics, University of Jammu, who left this world at the very young age while pursuing her Ph.D. at ISI Delhi.

This year's competition comprises of 40 questions. There are two different sets of questions for UG and PG students. Each question carries 02 marks. Some questions may have more than one correct answers and a candidate will be awarded marks for a question only if he/she has marked all the correct answers to the question (given in options). The questions are such as to test the basic knowledge of the subject.

The competition will be held on 23-01-2022 (Sunday). The link of the competition will be activated at 11:00 AM and will be kept active upto 12:20 PM i.e. a candidate will have 80 minutes to accomplish the competition.

AWARDS AND APPRECIATION

Top three position holders in each category will be given **CERTIFICATES OF APPRECIATION** and cash prizes. The prizes are given out of the Endowment Fund created by Late Prof. Dr. D.K.Gupta (father of Miss Alka Gupta) by making donation to the Jammu Mathematical Society. There are consolation prizes also.
