Subject: Pledge Registration for organ donation...Regd.

Sir,

This Department has received a communication from the HLG's Secretariat regarding the above cited subject. Through the said communication Dr. Mansukh Mandaviya, Hon'ble Minister of Health & Family Welfare and Chemicals & Fertilizers, Government of India highlighted the growing momentum of organ donation, evolving into a mass movement in response to the call to action by Hon'ble Prime Minister Sh. Narendra Modi Ji. The Hon'ble Minister shared insights about the organ donation pledge registration campaign under the Ayushman Bhava initiative by the Government of India. Notably, since 17th September, 2023, more than 1,27,000 citizens have registered their pledge to donate organs as of 14th January, 2024, through the web portal of the National Organ and Tissue Transplant Organization (NOTTO), notto.abdm.gov.in. Simultaneously, ongoing efforts during the Viksit Bharat Sankalp Yatra aim to continuously raise awareness about organ donation. The communication underscored the government's commitment to streamline organ donation and transplantation processes for the benefit of our fellow countrymen in need.

In light of the above, we seek your collaboration in circulating the enclosed QR code within the University campus. The purpose is to disseminate information and raise awareness about organ donation among the student community. By dispelling myths and encouraging the youth, we aim to connect them with the nationwide campaign for pledge registration for organ donation.

I shall appreciate your support in this initiative and your contribution will play a significant role in making this awareness campaign a success.

Yours sincerely,

Vice-Chancellor
University of Jammu,
2537-26
