The Head / Director,

University of Jammu,  
Jammu

**Subject: Clarification regarding Plagiarism Checking Facility by INFLIBNET.**

Dear Sir / Madam,

This is further to the earlier communication dated 20-06-2024 to bring to your kind notice that the Plagiarism checks under ShodhShuddhi are restricted to only Ph.D. theses and associated research articles, conference papers, book chapters, abstracts/synopses, etc., and are not intended for students' assignments, question-answer papers, sheets or study/learning materials as per the Guidelines issued by INFLIBNET dated 30-04-2024 (copy enclosed).

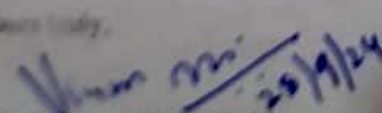

Considering the restriction for checking the research documents set by INFLIBNET as above, for the Higher Educational Institutions, all the Head of the Departments are requested to bring this to the kind notice of their faculty members and the research scholars so as to ensure judicious use and the necessary compliance. It is further emphasized that non-adherence may lead to suspension of PDS Services for the institution as per the June 1, 2024, communication of INFLIBNET.

The University is also in the process of setting up a parallel facility (as backup) for plagiarism checking to manage the research output of the institution. This measure will further enhance the credibility and quality of our research endeavors.

Also, any faculty member facing difficulty in accessing / creating their user accounts may contact the in-charge Librarian for necessary facilitation. The requests may please be forwarded by the Head of the concerned department for necessary redressal.

Thanking you,

Yours truly,

  
(Dr. Prasad Singh Sahij)  
LC Librarian
