

Circular

To

All the Teachers/Officers/Officials of  
the University of Jammu,  
Jammu

It has been noticed that over the last two weeks, huge withdrawals have been made from the GP Fund account by the individuals which is unprecedented. The enquiry has revealed that a rumour has been going around that GP of the employees of the University is going to be immediately merged with the State Government Provident Fund + perhaps due to the release of salary through the treasury last month (Sept. 2023) which has given credence to this kind of wrong notion.

It is circulated for the information of all the employees that there is no proposal initiated by the University or any direction received from the Govt. of UT on the said subject and the existing GPF rules and regulations of the University are governing provident fund of the employees of the University. All the employees are impressed upon to consider the same and withdraw only the legitimate amount they require/decide to do so.
