HEALTH CENTRE UNIVERSITY OF JAMMU

CIRCULAR

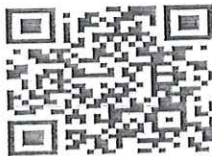

Subject: Registration for Ayushman Bharat Health Account (ABHA) Number

It is hereby notified for the information of all Students and Employees of the University that the University Health Centre is initiating a comprehensive registration drive for the generation of Ayushman Bharat Health Account (ABHA) Numbers under the Ayushman Bharat Digital Mission (ABDM) of the Government of India.

The ABHA Number is a unique health identification number that facilitates the secure access, management and sharing of digital health records, including prescriptions, diagnostic reports and discharge summaries, through the digital healthcare ecosystem.

All Students and Employees are, therefore, requested to register for and generate their ABHA Number at the earliest. The registration facility is free of cost and may be completed online through the official Government of India ABHA portal using Aadhaar or other permitted identity-verification options.

ABHA Portal: <https://abha.abdm.gov.in>

All concerned are requested to extend their cooperation and actively participate in this digital health initiative to facilitate the adoption of digital health records and services within the University Community.
