Historic breakthrough for JU: Army to vacate university land

JAMMU:

In a significant development for the University, the long-pending matter concerning 147 kanals and 11 marlas of land adjoining its main campus at Rakh Bahu, under the possession of the Army has been resolved, paving the way for the University to address its growing requirements for academic and infrastructural expansion. As per the letter of the Ministry of Defence, Govt of India, the UT Administration of J&K shall hand over land measuring 2062 Kls 17 Mls in Tehsil Nagrota and 62 Kls in Tehsil Jammu, J&K to the Army, in lieu of the land currently under their possession adjoining main campus of the University at Jammu.

The matter has its roots in the original allotment of land for the establishment of the University campus in 1973. Of the land allotted by the then State Government at Rakh Bahu, a portion remained under the possession of the Army. Over the years, the University, along with the J&K Government, continued to pursue the matter with the concerned authorities at different

levels.

The issue, however, gained renewed thrust and momentum over the last four years after Prof. Umesh Rai took over as Vice-Chancellor, with the University taking it up with the Ministry of Defence, Government of India, and subsequently pursuing it in coordination with the J&K administration, Defence authorities and other concerned departments, with the crucial support and intervention of Lok Bhawan, Jammu and Kashmir. The process envisages the exchange of 147 kanals and 11 marlas of land adjoining the University campus.

Welcoming the development, Vice-Chancellor, Prof. Umesh Rai, described it as a historic step towards meeting the University's future academic and developmental requirements.

Prof. Rai and the entire University fraternity, expressed heartfelt gratitude to Smt. Droupadi Murmu, Hon'ble President of India, Rajnath Singh, Minister of Defence, Manoj Sinha, Lieutenant Governor of Jammu and Kashmir and Chancellor, University of Jammu, Omar Abdullah, Chief Minister

of Jammu and Kashmir and the Indian Army for their support and cooperation in facilitating the resolution of the long-pending matter. He also placed on record the University's deep appreciation for Dr. Mandeep Kumar Bhandari, Principal Secretary to the Hon'ble Lieutenant Governor, for his tireless support and coordination; the Divisional Commissioner, Jammu, for playing an instrumental and solution-oriented role; the Deputy Commissioner, Jammu, Commissioner Secretary Higher Education Department, Government of Jammu and Kashmir; local Defence authorities; civil society and all other stakeholders whose support and efforts contributed to bringing the matter to its present stage.

Prof. Rai said that bringing a matter of this nature to its present stage required sustained coordination among different institutions and authorities, and the University deeply appreciates the support it has received from all concerned.

Recognizing the long institutional history of the matter, the

Gold medalists honoured by VC in special presentation ceremony

JAMMU:

Continuing its tradition of recognizing academic excellence, the University organized a special ceremony to present gold medals and merit certificates to students who could not receive their honours during the Special Convocation, owing to unavoidable circumstances.

In accordance with the provisions of the University Statutes, gold medalists who are unable to attend the convocation are awarded their medals subsequently. Acting on requests received from eligible students, the University presented gold medals

and merit certificates to medalists belonging to the batches of 2019, 2020, 2022 and 2023 at a ceremony held at the Vice-Chancellor's Secretariat.

A total of ten gold medalists were felicitated on the occasion. The medals were presented by the Vice-Chancellor, Prof. Umesh Rai, in the presence of Prof. Neelu Rohmetra, Dean Research Studies, Prof. J. P. Singh Joorel, Dean Academic Affairs, Dr. Neeraj Sharma, Registrar, Sanjeev Mahajan, Controller of Examinations and other University officials.

Prof. Umesh Rai congratulated the gold medalists and said that

Vice Chancellor felicitated Professors on their appointment as Vice-Chancellors

JAMMU:

JAMMU: Vice Chancellor Prof. Umesh Rai felicitated two of its distinguished professors, Prof. Rajnikant and Prof. Rajeev Rattan, on their appointment as Vice-Chancellors of Usha Martin University, Ranchi (Jharkhand), and Sindhu Central University, Ladakh, respectively.

Prof. Rajnikant, former Dean Research Studies, Dean, Faculty of Sciences and former Head of the Department of Physics, has been appointed as the Vice-Chancellor of Usha Martin University, Ranchi. Prof. Rajeev Rattan, who has been serving as the Head, Department of Education and formerly served as the Dean, Faculty of Education, has been appointed as the Vice-Chancellor of Sindhu Central University, Ladakh. Both academicians have also held several key administrative positions in the University during their distinguished careers.

Congratulating both academi-

cians, the Vice-Chancellor, Prof. Umesh Rai, described their appointments as a matter of immense pride for the University fraternity. He said that the elevation of the University's faculty members to the office of Vice-Chancellor reflects the academic

excellence, leadership, administrative capabilities and commitment to higher education that the University has consistently nurtured over the years.

Prof. Rai observed that the University has produced several distinguished academicians who

have gone on to lead institutions of national importance. He expressed confidence that Prof. Rajnikant and Prof. Rajeev Rattan would provide visionary leadership to their respective universities, promote academic innovation, strengthen research and in-

stitutional governance and contribute meaningfully to the advancement of higher education in the country. He wished them a successful and fulfilling tenure in their new assignments.

Expressing their gratitude, Prof. Rajnikant and Prof. Rajeev Rattan thanked the Vice-Chancellor and the University fraternity for the warm felicitation. They acknowledged the invaluable opportunities and support extended to them by the University throughout their academic careers.

The felicitation ceremony was attended by Prof. Neelu Rohmetra, Dean Research Studies, Prof. J. P. Singh Joorel, Dean Academic Affairs, Prof. Sangita Gupta, Dean Planning and Development, Dr. Neeraj Sharma, Registrar, Deans and other Senior Officers of the University, who joined the Vice-Chancellor in extending their heartfelt congratulations and best wishes to the newly appointed Vice-Chancellors.

Tributes paid to Bharat Ratna Dr. A.P.J. Abdul Kalam at JU

JAMMU:

The Department of Students Welfare (DSW) organized a commemorative programme to pay rich tribute to Bharat Ratna Dr. A.P.J. Abdul Kalam, former President of India, whose life and legacy continue to inspire generations of students, researchers and citizens across the country.

The programme witnessed the participation of members of the university fraternity, students and scholars, who gathered to remember the remarkable contributions of Dr. Kalam as a distinguished scientist, visionary leader, educator and champion of youth empowerment. The event highlighted his enduring commitment to knowledge, innovation and national development while encouraging students to imbibe the values he exemplified throughout his illustrious life.

Speaking on the occasion, Dean Students Welfare, Prof. Prakash Antahal, said that Dr. Kalam's vision continues to serve as a guiding force for the youth and children of the nation. Recalling several of his inspirational achievements, he said that Dr. Kalam's dedication, humility and commitment to excellence continue to motivate young minds to dream big

and work tirelessly towards achieving their goals. He urged students to draw inspiration from Dr. Kalam's life and contribute meaningfully to society through knowledge, innovation and service.

Prof. Sarika Manhas, Co-Chairperson, Campus Cultural Committee, also paid tribute to Dr. Kalam and described him as a symbol of integrity, simplicity and perseverance. She encouraged students to embrace his ideals of lifelong learning, discipline and nation-building, observing that his legacy remains relevant in inspiring future generations to pursue excel-

lence with dedication and compassion. As part of the programme, a short documentary titled Wings of Fire, based on Dr. Kalam's celebrated autobiography, was screened. The documentary provided an insightful glimpse into his extraordinary journey from humble beginnings to becoming one of India's most respected scientists and the President of the nation. The screening inspired the participants and reinforced the timeless values and vision championed by the People's President.

The programme concluded with the participants reaffirming their commitment to uphold Dr. Kalam's

ideals and strive towards building a progressive, innovative and inclusive nation.

Among those present were members of the Campus Cultural Committee, including Dr. Pritam Singh, Dr. Ripudaman Parihar, Dr. Bharti Prabhakar, Dr. Inderjeet Singh, Dr. Pallavi Sachdeva, Dr. Sandeep Singh, Dr. P.P. Singh and Dr. Vimal Kishore.

The programme was coordinated by Sumeet Sharma, while sound and projection arrangements were managed by Kulbhushan Thakur and Arif Paul.

The events of the Department of

Students Welfare are organized under the guidance of Prof. Prakash Antahal, Dean Students Welfare; Prof. Monika Chadha, Chairperson, Campus Cultural Committee; and Prof. Sarika Manhas, Co-Chairperson, Campus Cultural Committee. The activities are coordinated by Dr. Pritam Singh, Associate Dean Students Welfare; Dr. Shallu Sharma and Dr. A.R. Manhas, Deputy Chief Proctors; Dr. Harleen Kaur and Dr. Ripudaman Parihar, Assistant Deans Students Welfare; Mansi Mantoo, Officer Incharge; and Sumeet Sharma, Drama Instructor.

Two-Week Online Refresher Course in Commerce and Management Concluded

JAMMU:

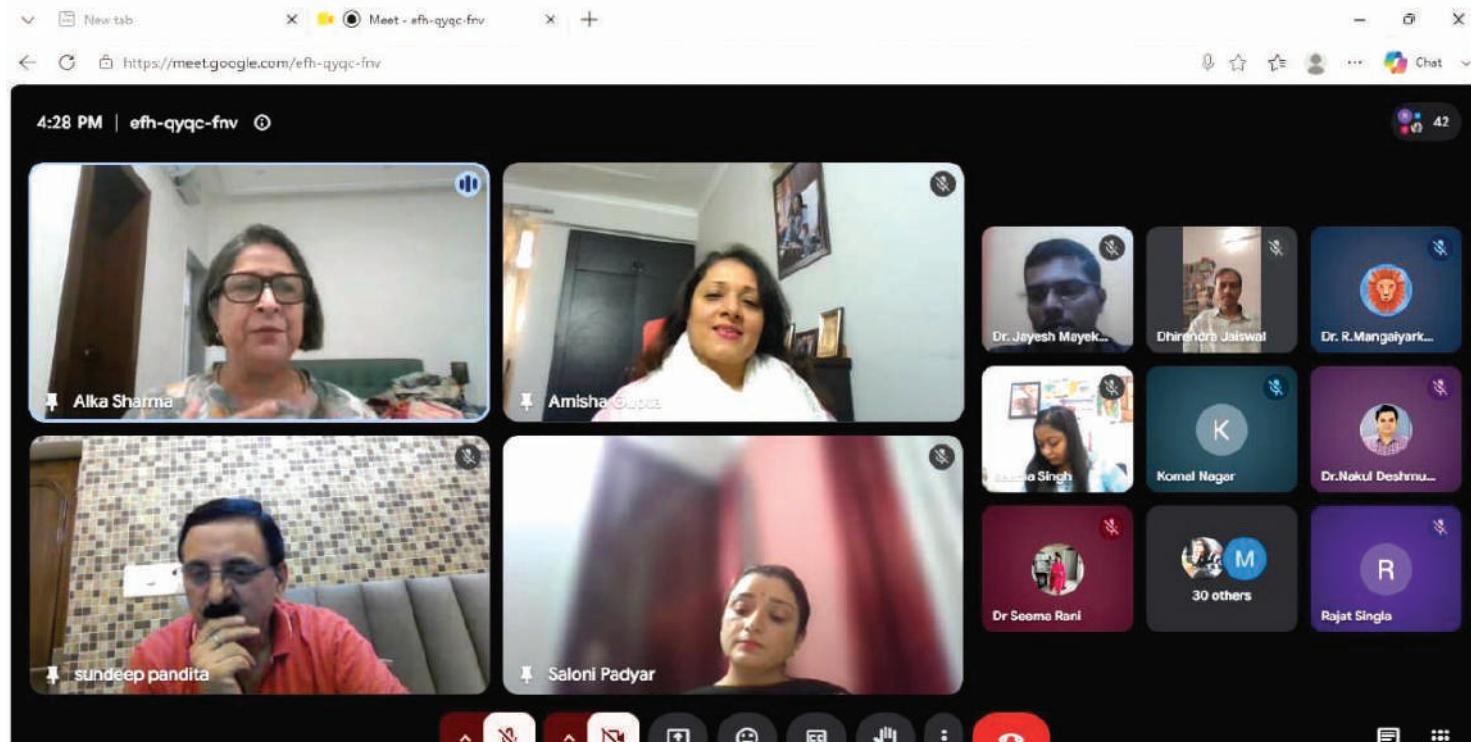

The Business School in collaboration with the Malaviya Mission Teacher Training Centre (MMTTC) concluded a two-week online Refresher Course in Commerce and Management organized on the theme "Workplace Happiness, Mental Health and Well-being."

The refresher course brought together faculty members from universities and colleges across the country for two weeks of enriching academic deliberations and professional learning.

Speaking as the Chief Guest during the valedictory session, Prof. Alka Sharma congratulated the participants on successfully completing the programme and appreciated the organizers for conceptualizing a refresher course addressing one of the most significant concerns in contemporary higher education—the well-being of teachers and learners.

She observed that academic excellence flourishes in institutions that prioritize happiness, mental health, ethical values and innovation. Prof. Sharma encouraged the participants to incorporate the knowledge, perspectives and practical strategies gained during the programme into their teaching, research, mentoring and institutional responsibilities. She further emphasized that faculty members play a pivotal role in nurturing resilient, compassionate and socially responsible future generations.

Earlier, Prof. Amisha Gupta, Director, The Business School and Course Coordinator, welcomed the gathering and expressed gratitude to the Malaviya Mission Teacher Training Centre for its

valuable collaboration in organizing the refresher course. Reflecting on the successful completion of the programme, she appreciated the overwhelming response received from faculty members across the country. She also acknowledged the significant contributions of the distinguished resource persons whose scholarly deliberations enriched the academic experience of the participants and appreciated the efforts of the organizing committee and technical team for ensuring the smooth conduct of the online programme.

Presenting the concluding remarks, Prof. Sundeep K. Pandita congratulated the participants on

successfully completing the refresher course and appreciated their enthusiastic participation throughout the programme. He reiterated that continuous professional development is essential for enhancing the quality of higher education and emphasized the need for teachers to regularly update their knowledge and teaching practices to meet the evolving needs of society and learners. He also appreciated the collaborative efforts of MMTTC and The Business School in organizing the programme and expressed confidence that the learning outcomes of the course would positively influence the participants' academic and professional pursuits.

The participants appreciated the academic rigour, interdisciplinary approach and practical orientation of the programme. They observed that the sessions enhanced their subject knowledge and pedagogical competencies while inspiring them to adopt holistic approaches towards teaching, research and institutional development. They also described the interactive discussions, reflective exercises and exchange of diverse perspectives as valuable components of the programme that promoted professional growth and collaborative learning.

The programme concluded with a vote of thanks by Dr. Saloni

Devi, Course Co-coordinator, who expressed gratitude to the Chief Guest, distinguished dignitaries, resource persons, participants, organizing committee and the technical team for their valuable support in the successful conduct of the refresher course.

The valedictory session marked the successful conclusion of the two-week refresher course and reaffirmed the commitment of the University, the Malaviya Mission Teacher Training Centre and The Business School towards promoting excellence in higher education through continuous faculty development, academic collaboration and holistic professional growth.

Major NEP reforms, new academic initiatives approved by JU Syndicate

JAMMU:

The University Syndicate of the University at its 123rd meeting held under the chairmanship of Vice-Chancellor Prof. Umesh Rai, approved several significant academic, institutional and student-centric initiatives aimed at strengthening implementation of the National Education Policy (NEP) 2020, expanding academic opportunities, promoting multidisciplinary education.

Welcoming the members to the meeting, Vice-Chancellor Prof. Umesh Rai expressed his gratitude to the members of the Syndicate for their continued guidance and valuable support in steering the University towards academic excellence and institutional development. He observed that the Syndicate has consistently played a vital role in strengthening the University's academic and administrative framework through its collective wisdom and timely decisions.

Prof. Rai expressed confidence that the decisions taken during the meeting would further strengthen the University's academic ecosystem and create greater opportunities for students and faculty alike.

On the occasion, the Vice-Chancellor congratulated Prof. Rajeev Rattan (Member University Syndicate) on his appointment as the first Vice-Chancellor of Sindhu Central University, Ladakh. Describing it as a matter of pride for the University, he said the appointment is recognition of Prof. Rattan's academic accomplishments and administrative experience, and wished him success in his new assignment. Earlier, Registrar Dr. Neeraj Sharma presented various agenda items before the Syndicate for consideration, encompassing academic, administrative, financial and policy matters.

The Syndicate confirmed the minutes of the 122nd meeting of the University Syndicate held on September 22, 2025. It also considered and endorsed the Action Taken Report on the resolutions passed in the meeting.

The Syndicate endorsed the action taken by the Vice-Chancellor in authorizing the extension of autonomous status to Government College for Women, Parade Ground, Jammu, Dogra Degree College, Malook Bhawan, Bassi Kalan, Bari

Brahmana, Jammu and Krishan Chander Government Degree College, Haveli, Poonch, affiliated with the University of Jammu in accordance with the UGC Regulations.

Among the major academic decisions, the Syndicate endorsed the adoption of Statutes governing the One-Year and Two-Year Postgraduate Programmes under the National Education Policy (NEP) 2020 from the academic session 2025-26 onwards.

The Syndicate also endorsed the change in nomenclature of the Master of Technology Programme in Computer Science to Master of Technology in Computer Science with specialization in Artificial Intelligence and Data Science offered by the Department of Computer Science and IT. Continuing its implementation of the National Education Policy, the Syndicate endorsed the revised Statutes governing the Four-Year Undergraduate Programme as per National Education Policy (NEP) 2020 from the academic session 2026-27 onwards.

The meeting endorsed the introduction of Four-Year Bachelor of Business Administration (BBA) and Four-Year Bachelor of Computer Applications (BCA) programmes under NEP-2020 at the Kathua Campus from the academic session 2026-27.

The Syndicate also endorsed the introduction of the Two-Year Integrated Master of Library and Information Science (M.Lib.I.Sc.) Programme under NEP-2020 with effect from the academic session 2026-27. It further endorsed the discontinuation of the existing One-Year B.Lib.I.Sc.

programme from the academic session 2026-27 and the One-Year M.Lib.I.Sc. programme from the academic session 2027-28 offered under the Non-CBCS pattern. The Statutes governing the Two-Year Integrated Master of Library and Information Science Programme under NEP-2020 were also adopted. The meeting endorsed the introduction of the Integrated Teacher Education Programme (ITEP) in the Department of Education from the academic session 2026-27 in accordance with the Letter of Intent issued by the National Council for Teacher Education (NCTE). It also endorsed the Statutes and Scheme governing the programme from the academic session 2026-27.

The Syndicate endorsed the introduction of the Four-Year Bachelor of Physical Education and Sports (B.P.E.S.) programme with an intake capacity of 50 students in the Directorate of Sports and Physical Education from the academic session 2026-27. It also adopted the Statutes governing the Four-Year Undergraduate Programme under NEP-2020 applicable to the B.P.E.S. programme.

The adoption of Statutes governing the Five-Year Integrated Undergraduate-Postgraduate Programmes in the Faculty of Mathematical Sciences from the academic session 2025-26 were also endorsed.

The Syndicate also endorsed the introduction of Four-Year Undergraduate Programmes in Political Science and Sociology, besides One-Year/Two-Year Postgraduate Programmes in Political Science and So-

ciology under NEP-2020 at the Poonch Campus from the academic session 2026-27. The meeting endorsed the establishment of a Translation Cell in the Centre for Distance and Online Education.

The meeting granted permanent affiliation in favour of Government Degree College, Surankote, and also endorsed the constitution of inspection panels for periodic inspection of Government permanent affiliated colleges in accordance with University norms. The Syndicate further endorsed the merger of Government B.Sc. Nursing College, Gangyal with Government Nursing College, Gandhi Nagar, Jammu, and its rechristening as Government B.Sc. Nursing College, Jammu, in pursuance of Government orders.

A significant academic decision taken by the Syndicate was the approval of the constitution of a separate Faculty of Earth Sciences, comprising the Departments of Geology, Geography, and Remote Sensing and GIS, along with the creation of the office of the Dean, Faculty of Earth Sciences. The Syndicate also endorsed the constitution of a Faculty of Trans-disciplinary Studies (FTS) in the University of Jammu with two constituent units, namely the School of Trans-disciplinary Studies (STS) and the Skill Incubation Innovation Entrepreneurship Development Centre (SIIEDC).

The Syndicate also considered and endorsed the commencement of the Bachelor of Technology (B.Tech.) Programme in Electronics and Communication Engineering at the Uni-

versity Institute of Engineering and Technology (UIET), Kathua Campus, from the academic session 2026-27.

The Syndicate also endorsed the intake of students for One-Year Postgraduate Programmes under NEP-2020 for the academic session 2026-27 and the introduction of Five-Year Integrated Undergraduate-Postgraduate Programmes at Bhaderwah Campus on the pattern already being followed in the University.

The meeting further endorsed the adoption of UGC Regulations, 2022 governing Twinning, Joint Degree and Dual Degree Programmes with Foreign Higher Educational Institutions.

The Bachelor of Commerce (B.Com.) programme through the Centre for Distance and Online Education under the Non-Collegiate Women Education Board on the pattern of the programme being offered at Bhaderwah Campus was also endorsed. It also endorsed the revised Statutes governing the Four-Year Undergraduate Programme-Design Your Degree (FYUGP-DYD) from the academic session 2026-27.

The meeting was attended by Prof. Chandra Bhushan Sharma, Vice Chancellor, Vinoba Bhave University Hazaribag, Jharkhand, Prof. (Dr.) Sunita Singh Sen Gupta, Faculty of Management Studies, University of Delhi, Mahesh Dass, JKAS Director General Codes, Finance Department, J&K Government, Dr. Subash Chander, JKAS, Special Secretary to Government, Higher Education Department, Prof. Neelu Rohmetra, Dean Research Studies, Prof. Sangita Gupta, Dean Planning and Development, Prof. J. P. Singh Joorel, Dean Academic Affairs, Prof. Meena Sharma, Dean Faculty of Sciences, Prof. Manju Jamwal, Dean Faculty of Law, Prof. Aneesa Shafi, Dean Colleges Development, University of Kashmir, Prof. Zulfiqar Ali Bhat, Dean School of Applied Science & Technology, University of Kashmir, Prof. (Dr. Iffat Hassan Shah, Principal, GMC-Srinagar, Kashmir, Prof. Parvez Ahmad, HoD, Geography & Disaster Management, University of Kashmir, Prof. Rajeev Rattan, HoD, Department of Education, University of Jammu, Dr. Javid Iqbal Zarger, Principal, Govt. Degree College Doda and Dr. Jasbir Singh, Principal, Govt. Degree College Poonch.

Two-Week online Refresher Course in Commerce & Management Inaugurated

JAMMU:

The Malaviya Mission Teacher Training Centre (MMTTC) in collaboration with The Business School (TBS) successfully conducted a two-week Online Refresher Course in Commerce and Management on the theme "Workplace Happiness, Mental Health and Well-being". The refresher course which concluded on July 25, 2026, was spread over 12 days with four sessions of 1.5-hour duration each day. The programme received an overwhelming response from faculty members representing universities and colleges from across the country.

Prof. Neelu Rhometra, Dean Research Studies, Chief Guest of the inaugural session in her talk applauded the efforts of MMTTC and The Business School for organizing such programmes. She emphasized that the true foundation of workplace happiness lies in an individual's ability to embark on an inward-looking

journey. Prof. Neelu Rohmetra stressed that professional success is often measured through external achievements but on the contrary genuine happiness, peace of mind, and personal fulfillment emerge from self-reflection, and continuous improvement. She encouraged the participants to make self introspection an integral part of their daily lives, stating that every educator should begin each day by pondering on their duty and responsibilities towards students and society. She also remarked that teaching is not merely about dissemination of knowledge but a lifelong commitment to nurturing ethical values, compassion, integrity, and excellence.

Highlighting the transformative role of teachers and academicians, she urged participants to dream big, think beyond conventional boundaries, and strive to set high standards of professionalism, morality, and integrity in every aspect of their academic journey. She further

opined that workplace happiness is not created by external circumstances alone, but by cultivating a positive mindset, emotional balance, meaningful relationships, and a sense of purpose. "A happy teacher creates a happy classroom situation", she said.

Earlier in her welcome address, Prof. Amisha Gupta, Director, The Business School and Course Coordinator, formally welcomed the guests. She emphasized that workplace happiness and mental well-being have emerged as essential pillars of organizational excellence and sustainable professional growth. She stated that the two-week refresher course has been carefully designed to provide participants with contemporary knowledge and practical insights in the areas of Commerce and Management. She encouraged participants to actively engage in discussions and make the best use of the learning opportunities provided through

the programme.

Addressing the participants, Prof. Sundeep K. Pandita, Director, Malaviya Mission Teacher Training Centre highlighted the transformative role of teachers in shaping society and encouraged participants to adopt well-being practices that promote emotional balance, mindfulness, stress management, and a healthy work-life integration, enabling them to create positive and inclusive learning environments. Stressing that teachers are not merely transmitters of knowledge but architects of human values and social transformation, he urged them to uphold the highest standards of ethics, integrity, compassion, and academic excellence. He also appreciated the collaborative initiative of MMTTC and The Business School in organizing a timely and meaningful refresher course that addresses the evolving psychological, emotional, and professional needs of educators.

The participants appreciated the insightful deliberations and expressed their enthusiasm for the two-weeks online refresher course. They were highly inspired by the motivational inaugural address delivered by Prof. Neelu Rohmetra. Further, they described that programme would provide valuable academic insights while encouraging personal growth, emotional well-being, and professional excellence.

Dr. Saloni Devi, Co-Coordinator of the course in her formal vote of thanks, expressed sincere gratitude to the guests, resource persons, participants and technical team for their valuable support and cooperation in making the inaugural programme a grand success. She expressed confidence that the two-week refresher course would provide a rich platform for academic interaction, professional development, and meaningful exchange of ideas, ultimately contributing to the advancement of quality higher education.

EDITORIAL

A Drug-Free Youth for a Developed India

The strength of a nation is not measured merely by the size of its economy or the pace of its development. It is reflected in the character, health and aspirations of its young people. India, home to one of the world's largest youth populations, stands at a defining moment in its journey towards becoming a developed nation by 2047. Realising this vision requires not only investment in infrastructure, innovation and education, but also the protection of our greatest national asset, our youth.

The launch of the "Nasha Mukht Yuva for Viksit Bharat Sankalp Abhiyan" by the Hon'ble Prime Minister on August 2, 2026, therefore comes as a timely reminder that the challenge of substance abuse is not merely a health concern. It is a social, educational and national concern. During his address, the Prime Minister underscored that drugs rob young people of their dreams, weaken families and communities, and ultimately diminish the nation's collective potential. He called upon parents, teachers, educational institutions and society to work together in creating an environment where young minds find guidance, purpose and hope rather than falling prey to addiction.

Universities occupy a unique position in this collective responsibility. They are more than centres of learning. They are spaces where values are nurtured, personalities are shaped and future leaders emerge. Every classroom, laboratory, sports field and cultural platform offers an opportunity to inspire confidence, discipline and resilience among students. A campus that encourages meaningful engagement leaves little room for destructive influences.

At the University of Jammu, this philosophy has long guided our approach towards student development. Alongside academic excellence, equal emphasis has been placed on sports, cultural activities, innovation, entrepreneurship, counselling and community engagement. These initiatives recognise that a confident, engaged and emotionally resilient student is better equipped to make responsible choices and contribute positively to society. The fight against substance abuse cannot succeed through enforcement alone. It demands awareness, compassion and open communication. Young people struggling with addiction need support rather than stigma. Families must feel encouraged to seek help without fear of judgement. Teachers and mentors should remain approachable, while peers must become ambassadors of positive change. Prevention begins with conversations, empathy and timely intervention.

The campaign also reminds us that building a developed India is not solely the responsibility of governments or institutions. It is a shared national endeavour. Every student who chooses health over harmful habits, every teacher who mentors with care, every parent who listens patiently and every citizen who promotes a culture of responsibility contributes to this larger national mission. As members of the University fraternity, let us renew our commitment to creating an academic environment where talent flourishes, dreams are protected and every student is empowered to realise his or her fullest potential. A truly developed India will be built not only through technological advancement and economic growth, but through a generation that is healthy in body, strong in mind and steadfast in values.

A Nasha Mukht Yuva is, indeed, the strongest foundation of a Viksit Bharat.

University Health Centre: An overview

BY DR. BHARAT BHUSHAN AND
DR GAUTAM SHARMA.

The University Health Centre at the University of Jammu stands as a vital pillar of campus life, delivering accessible primary and specialized healthcare to students, scholars, faculty, staff, their families, and retired employees. Located on the main campus, it functions as a comprehensive facility that combines routine outpatient services with diagnostic support, emergency response, and preventive care. In recent years, through strategic collaborations and infrastructure enhancements, the Centre has significantly upgraded its offerings, reflecting the University's commitment to a supportive and healthy academic ecosystem.

The Health Centre operates 24 x 7, providing timely medical attention to the stakeholders. Core facilities include General and Specialist Medical OPDs, dental services, physiotherapy, a clinical laboratory for routine blood, urine, and stool tests, etc. An ambulance service is available for emergencies, with on-call and telephonic emergency support. Patients requiring advanced care are referred to Government Medical College (GMC) Jammu and its associated hospitals.

Health Centre regularly conducts awareness programmes on various health issues. Immunization camps, including polio drives, and check-ups for children of the Home Science Department and Surabhi School form part of its outreach. Sports personnel receive treatment during university events, underscoring its role in supporting the broader campus community.

The sanitation wing, which is also looked after by the incharge Health Centre, plays a critical role in maintaining campus hygiene, overseeing cleaning of administrative, examination, residential, and departmental areas, garbage disposal, and regular anti-malaria and anti-dengue drives.

A major infrastructural upgrade occurred in March 2022 with the inauguration of a dedicated Physiotherapy Wing. Constructed under the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) grant from the Ministry of Education, Government of India, the wing was described by the then Vice-Chancellor as one of the best physiotherapy centres in the Jammu region. It is equipped with advanced modalities including traction machines, short-wave and long-wave diathermy, IFT, TENS, laser therapy, vacuum therapy, infrared, wax bath, hydrocollator unit, cryotherapy, treadmill, static cycle, shoulder wheel, continuous passive motion machines, and various exercise aids. These enable specialised treatment for conditions such as muscular dystrophy, back and neck pain, limited range of motion, osteoporosis, sports

injuries, post-fracture and post-surgical rehabilitation, and respiratory issues. The facility benefits the entire University fraternity by providing modern in-house physiotherapy services.

Recent collaborations have further elevated the Centre's capabilities. In December 2025, the University signed a Memorandum of Understanding with the Government Homoeopathic Medical College (GHMC), Kathua, to introduce weekly Homeopathy OPD services every Thursday. Consultations and free medicines are available to all beneficiaries; students and scholars pay no fee, while employees pay a nominal OPD slip charges. An awareness seminar on the preventive and curative benefits of homeopathy for chronic diseases accompanied the launch, highlighting the University's emphasis on holistic wellness.

In January 2026, another significant partnership was forged with Acharya Shri Chander College of Medical Sciences and Hospital (ASCOMS). Under this MoU, specialist consultations are provided on an OPD basis at the University Health Centre three days a week (Monday to Wednesday). This arrangement brings specialised medical services directly to employees, their families, and students, reducing the need for external travel and ensuring convenient access. Vice-Chancellor Prof. Umesh Rai noted that the collaboration strengthens a healthy campus ecosystem where professional medical guidance remains readily available.

The Centre regularly organises health camps by the doctors of the University as well as in partnership with external institutions. Examples include free eye check-up camps (such as the one held on International Day of Persons with Disabilities in collaboration with Sharp Sight Eye Hospital, benefiting around 150 participants), specialised medical camps with hospitals like SMVD Narayana, Ujala Cygnus, and JK Medicity, and diagnostic screening drives. These initiatives promote early detection, preventive care, and awareness among the University community.

Through continuous upgradation—ranging from the state-of-the-art Physiotherapy Wing to recent MoUs for allopathy specialists and homeopathy—the University Health Centre has evolved into a multifaceted facility that addresses both immediate medical needs and long-term wellness. It remains central to the University of Jammu's vision of fostering a productive academic environment where the health of every stakeholder is prioritised.

As the Centre continues to expand its services and partnerships, it stands as a model of responsive, inclusive campus healthcare in the region.

Seven-Day National Workshop on Computational Sanskrit organized by Dept of Sanskrit

JAMMU:

The Department of Sanskrit organized a Seven-Day National Workshop on "Computational Sanskrit – Basic Level" through an online virtual platform. The workshop was organized from July 17 to July 24, 2026, with the objective of equipping research scholars, students, and teachers with contemporary knowledge and skills by integrating the Sanskrit language with modern computational technologies and Artificial Intelligence (AI).

The session was presided over by Prof. Umesh Rai, Vice-Chancellor who was also the Chief Guest. Prof. Satish Kapoor, Director, Central Sanskrit University, Kot Bhalwal, was the Guest of Honour while Prof. Subhash Chandra, Department of Sanskrit, University of Delhi, attended as the Keynote Speaker.

The programme began with a Vedic Invocation and Saraswati Vandana.

In his presidential address, Prof. Rai emphasized that Computational Sanskrit plays a significant role in establishing India's knowledge tradition at the global level. Appreciating the University's efforts in organizing such innovative academic programmes, he encouraged all participants to make the best possible use of this learning opportunity.

Delivering the keynote address, Prof. Subhash Chandra elaborated on the fundamental concepts of Computational Sanskrit, its present status, and future prospects. He highlighted the scientific nature of the Sanskrit language and its growing relevance in the field of Natural Language Processing (NLP).

cessing (NLP).

Addressing the gathering, Prof. Satish Kapoor stressed the importance of preserving, promoting, and disseminating Sanskrit through modern technological platforms. He observed that computational approaches are indispensable for making Sanskrit more accessible to the younger generation in the digital era.

Earlier, Prof. Ram Bahadur Shukla, Head, Department of Sanskrit and Convener of the Workshop, welcomed the distinguished

guests and participants. He outlined the workshop's objectives, structure, and academic significance, emphasizing the immense scope for research and training in Computational Sanskrit. He remarked that such initiatives play a vital role in connecting India's knowledge tradition with modern technological advancements.

The second academic session, held after the inaugural programme, featured a lecture by Prof. Pavnesh Abrol, Department of Computer Science and IT on

"Computational Sanskrit and Artificial Intelligence: Empowering Indian Knowledge System." He discussed the relevance of Sanskrit in integrating Artificial Intelligence with the Indian Knowledge System and highlighted its potential in contemporary technological research.

In the afternoon session, Prof. Subhash Chandra delivered a detailed lecture on 'Introduction to Sanskrit Computational Linguistics: Research Trends and Future Opportunities.' He discussed

emerging research trends in Computational Linguistics, career and research opportunities, and the development of Sanskrit-based digital resources. The programme concluded with an interactive feedback session, during which participants shared their suggestions and observations regarding the workshop.

The vote of thanks was delivered by Dr. Harish Kumar, Assistant Professor, Department of Sanskrit and Coordinator of the Workshop.

Seven-Day National Workshop on Computational Sanskrit Concluded

JAMMU:

The seven-day National Workshop on "Computational Sanskrit (Basic Level)", organised by the Postgraduate Department of Sanskrit, concluded with a grand valedictory ceremony. The workshop was held from July 17 to 24, 2026, with the objective of introducing participants to computational tools for Sanskrit studies and promoting interdisciplinary learning.

Chief Guest Prof. Girish Nath Jha from the School of Sanskrit and Indic Studies, Jawaharlal Nehru University (JNU), New Delhi, spoke on the national perspective of Sanskrit studies, emerging research trends and interdisciplinary opportunities. He also shared suggestions for future collaborative initiatives between the University and JNU in the field of Sanskrit and Indic Studies.

Guest of Honour Prof. Pankaj Shrivastava, Director, Centre for Distance and Online Education (CDOE) underlined the relevance of the workshop in the context of the National Education Policy (NEP) 2020 and the growing importance of digital and online education. He emphasised the need

for interdisciplinary collaboration between traditional disciplines and modern information technology.

Special Guest (Saraswat Atithi) Prof. Pawanesh Abrol from the De-

partment of Computer Science & IT, highlighted the role of information technology, digital tools and computational approaches in Sanskrit studies, language processing and digital humanities. He also

suggested collaborative initiatives between the Departments of Sanskrit and Computer Science & IT in the areas of digitisation, Natural Language Processing (NLP) for Sanskrit and e-content develop-

ment.

Earlier, speaking on the occasion, Head of the Department of Sanskrit, Prof. Ram Bahadur Shukla, welcomed the guests and participants and highlighted the objectives, theme and outcomes of the workshop. He said that the workshop marked an important step towards connecting the Sanskrit language with the digital age and equipping students with knowledge of computational tools.

The workshop brought together Sanskrit teachers, research scholars and students from universities and colleges across the country. During the seven-day programme, participants received practical training in Sanskrit text processing, digital archiving, online resource management and basic computational tools.

The programme concluded with a vote of thanks by Dr. Harish Kumar, Coordinator of the National Workshop and Assistant Professor, Department of Sanskrit, who expressed gratitude to the distinguished guests, participants, supporting staff, the University authorities and all departments for their valuable support in making the workshop a success.

Blood Donation Camp organized by CDOE in Collaboration with YBA

JAMMU:

NSS Unit-5 of the Centre for Distance and Online Education (CDOE), University of Jammu in collaboration with the Young Blood Association (YBA), organised a Blood Donation Camp, reaffirming its commitment to humanitarian service and social responsibility.

The camp was inaugurated by Prof. Pankaj K. Srivastava, Director, CDOE. Speaking on the occasion, he highlighted the significance of voluntary blood donation and emphasized that such initiatives foster compassion, social responsibility and community engagement among students and society.

Neha Jalali, Director, Press Information Bureau (PIB), who was the Chief Guest, appreciated the voluntary blood donors for their selfless contribution and lauded the collaborative efforts of CDOE and the Young Blood Association in organizing the humanitarian initiative.

Dr. Satwant Singh Rissam, President, Young Blood Association, appreciated the overwhelming response to the camp and observed that blood donation is one of the noblest acts of public service, capable of saving countless lives.

Anil Padha, Chairman, Young Blood Association, also highlighted the importance of blood donation as a noble humanitarian cause and appreciated the whole-

hearted support extended by all stakeholders.

Earlier, Dr. Rajbeer Singh Sodhi, Programme Officer, NSS Unit-5, welcomed the guests and expressed gratitude to all blood

donors, volunteers, faculty members, officers, non-teaching staff, organizers, media persons and the medical team for making the camp a grand success. He observed that every unit of donated blood has

the potential to save precious lives and inspire others to serve humanity.

The Blood Donation Camp witnessed enthusiastic participation from volunteers, reflecting the

spirit of social commitment and community service promoted by the Centre and the Young Blood Association.

Academic Lecture on "New Innovative Approaches in the Teaching-Learning Process" organized at CDOE

JAMMU:

The Centre for Distance and Online Education (CDOE) organized a guest lecture on "New Innovative Approaches in the Teaching-Learning Process" to familiarize M.A. Education students with contemporary teaching methodologies and practical classroom skills.

Former Principal, Khalsa College of Education, Dr. Madhu Singh, who was the resource person, delivered an interactive lecture highlighting the significance of innovative teaching-learning approaches in bridging theoretical knowledge with practical classroom experience. She emphasized the importance of effective lesson planning and elaborated on various teaching methodologies, including the Herbartian Approach, RCEM Approach, and Constructivist Approach, explaining their role in strengthening pedagogical competencies and preparing students for professional teaching.

Presiding over the function, Prof. Pankaj Srivastava, Director, Centre for Distance and Online Education (CDOE), underlined the importance of adopting innovative teaching practices in the evolving education system. He said such academic interactions equip students with practical strategies for classroom organization, effective time management, and student engage-

ment, thereby helping create a more focused and productive learning environment while preparing them for future academic and professional responsibilities.

Earlier, the programme was inaugurated with a welcome address by Dr. Anuradha Goswami, Coordinator of the programme, who introduced the resource person and welcomed the participants.

The programme concluded with a vote of thanks by Dr. Anuradha Goswami, who expressed gratitude to the resource person, faculty members, students, and all those who contributed to the

successful organization of the event. She also acknowledged the support and cooperation extended by Dr. Ankita Sharma, Dr. Manisha, and other faculty members.

Bhaderwah Campus launched three-day Peace Education Program

JAMMU:

Bhaderwah Campus in collaboration with The Prem Rawat Foundation, inaugurated a three-day Peace Education Program (PEP) to promote emotional well-being, self-awareness and holistic development among students, faculty and staff.

Rector, Bhaderwah Campus, Prof. Rahul Gupta, who joined the inaugural session online as the Chief Guest, said that education in the present-day fast-changing world must go beyond academics to nurture emotionally resilient, ethically conscious and socially responsible individuals. He appreciated the collaboration with The Prem Rawat Foundation, observing that such initiatives are in consonance with the vision of the National Education Policy (NEP) 2020, which lays emphasis on holistic and value-based education.

Founder of The Prem Rawat Foundation, Poonam Sherawat, highlighted the objectives of the three-day programme and said that the Peace Education Program has positively impacted people across the world by helping them discover their inner strengths and lead more peaceful and fulfilling lives.

Earlier, Academic Coordinator Dr. Kuljit Singh welcomed the dignitaries and participants. He underscored the importance of creating reflective spaces within educa-

tional institutions, particularly at a time when students are grappling with anxiety, uncertainty, digital overload and various social and personal pressures. He said that programmes of this nature equip participants with emotional resilience, mental clarity and practical tools for leading balanced lives.

The organisers informed that the Peace Education Program provides participants with an opportunity for reflection, reconnection, renewal and rediscovery of their inner resources. The programme is designed to help students

manage stress, strengthen self-awareness and develop emotional resilience, while enabling teachers to reconnect with themselves and bring greater compassion, presence and balance into the classroom.

During the three-day programme, participants will engage in video presentations, guided reflections and interactive activities centred on themes such as Peace, Appreciation, Inner Strength, Self-awareness, Clarity, Understanding, Dignity, Choice, Hope and Contentment. The sessions feature inspiring excerpts

from the talks of renowned peace educator Dr. Prem Rawat. The inaugural session witnessed enthusiastic participation from faculty members, including Dr. Rakesh Sharma, Dr. Umesh Choudhary, Dr. Rohit Bhagat and Dr. Neeraj Sharma, besides non-teaching staff and students from various departments of Bhaderwah Campus, who appreciated the initiative and expressed keen interest in the programme.

The proceedings of the inaugural session were conducted by Arif Haleem Khateeb, External Relations Officer, while the vote of

thanks was presented by Dr. Mohammad Avias.

The organisers said that the programme has received an encouraging response from faculty members, students and staff, reflecting the growing recognition of peace education as an important component of holistic learning and personal development. The initiative, they added, is another step towards fostering an academic environment that promotes emotional well-being, inner harmony and responsible citizenship.

First Batch of NIELIT-Udhampur Campus AI Training Programme Concluded

JAMMU:

The first batch of the six-week training programme on "Foundation of Artificial Intelligence Technology," jointly organised by the National Institute of Electronics and Information Technology (NIELIT) and the Udhampur Campus concluded successfully on Friday at the Udhampur Campus, Village Ganai-Lotta, Udhampur.

A total of 17 students from villages across Udhampur, studying in various higher secondary schools and the Government Degree College for Women, Udhampur, successfully completed the programme. The participants received training in the core concepts of artificial intelligence and its practical applications.

Dr. Jagdish Mehra, JKAS, Joint Director, School Education Department, Jammu and Kashmir, was the Chief Guest at the valedictory function, while Rajnish Raina, Joint Director and Officer-in-Charge, NIELIT Jammu, attended as the Guest of Honour.

Addressing the participants, Dr. Mehra said that artificial intelligence is transforming education systems across the world through machine learning, image recognition and large-scale data analytics, creating new opportunities for innovation and efficiency. He observed that AI is rapidly becoming an essential skill for future education and entrepreneurship across professions. He distributed certi-

ficates of participation and IT kit bags among the trainees and assured continued support from the School Education Department for such initiatives.

Speaking on the occasion, Ra-

nish Raina highlighted the objective of NIELIT's skill development programmes being conducted across the country. He said that the Foundation of Artificial Intelligence Technology course is de-

signed to provide learners with a comprehensive understanding of AI, its core concepts, practical applications and emerging technologies. He informed that the curriculum combined theoretical knowl-

edge with hands-on training in Python programming, AI-based mini-projects, machine learning model implementation, prompt engineering using ChatGPT, Gemini and Copilot, natural language processing and computer vision demonstrations, Smart City use cases, and AI productivity tools for educators.

Sharing their experiences, the participants said that the six-week programme had strengthened their understanding of data handling, Python programming, machine learning and generative AI, and would encourage them to pursue advanced learning in these domains.

Earlier, Rector, Udhampur Campus, Prof. Yash Pal Sharma, welcomed the dignitaries and participants. He expressed gratitude to Vice Chancellor Prof. Umesh Rai, for his leadership in promoting grassroots initiatives aimed at modernising education. Prof. Sharma said that the successful completion of the programme reflected the commitment of the Udhampur Campus to providing quality, skill-based and future-ready education to students from rural and semi-urban areas in collaboration with national-level technical institutions such as NIELIT. He added that several similar programmes are in the pipeline and that the campus is fully equipped to meet the growing requirements of the IT sector and the emerging AI ecosystem.

University Professor Dr. Kamal K. Kapoor conferred Prestigious CRSI Bronze Medal 2027 for Excellence in Chemical Research

JAMMU:

Prof. Kamal K. Kapoor of the Department of Chemistry has earned the prestigious Chemical Research Society of India (CRSI) Bronze Medal 2027 recognizing his significant contributions to chemical research.

Instituted in 1999, the CRSI Bronze Medal is awarded to scientists whose pioneering research has significantly advanced the frontiers of chemical sciences. Dr. Kapoor has been recognized for his sustained and innovative contributions to organic chemistry, particularly in the fields of heterocyclic chemistry, medicinal chemistry, and chemo-sensor development.

Dr. Kapoor received his Ph.D. from IIT Kanpur and has been associated with the University of Jammu since 1995 contributing to teaching, research and the advancement of chemical sciences.

Dr. Kapoor's research accomplishments are reflected in more than 85 peer-reviewed publications in reputed national and international scientific journals, many of which have made significant contributions to contemporary organic and medicinal chemistry. His work has also translated into innovation, with six U.S. patents to his credit, underscoring the

practical impact and global relevance of his research.

Beyond publications, his greatest legacy lies in nurturing

scientific talent. Under his guidance, 29 scholars have earned Ph.D. degrees and 15 have completed M.Phil., while several

research scholars continue to pursue advanced research in his laboratory. His research programmes have attracted competitive funding from agencies including the Department of Science and Technology (DST), the Government of Jammu & Kashmir, and the University Grants Commission (UGC).

Dr. Kapoor's scientific excellence has earned him recognition well beyond India's borders. He has represented Indian science through prestigious academic and research engagements in Japan, the United Kingdom, Germany, and Australia. He was awarded the DST-BOYSCAST Fellowship at Tokushima Bunri University, Japan, the INSA-Royal Society Fellowship at the University of Bath, United Kingdom, and a research fellowship at the University of Regensburg, Germany. He was also selected for the Leadership for Academicians Programme (LEAP), under which he underwent advanced academic leadership training at Monash University, Australia. These international engagements reflect the global appreciation of his scientific expertise and have fostered valuable international research collaborations.

Complementing his academic career, Dr. Kapoor has made

notable contributions to pharmaceutical research and innovation by serving as Lead Scientist at the Dabur Research Foundation, Director of Medicinal Chemistry at Sphaera Pharma Pvt. Ltd., and Advisory Consultant to Curadev Pharma Pvt. Ltd. His ability to bridge fundamental research with industrial applications has strengthened the translational impact of his scientific work.

Among his many distinctions, Dr. Kapoor was invited to deliver the prestigious Platinum Jubilee Lecture during the 107th Indian Science Congress, an honour reserved for scientists with exceptional research credentials and national standing.

The conferment of the CRSI Bronze Medal 2027 is a fitting recognition of Dr. Kapoor's unwavering commitment to scientific discovery, innovation, and academic excellence. His remarkable achievements have elevated the profile of the University on the national and international scientific landscape and continue to inspire the next generation of researchers.

The University extends its warmest congratulations to Professor Dr. Kamal K. Kapoor on this outstanding achievement and wishes him continued success in advancing the frontiers of chemical science.

UGC Joint Secretary inaugurated Counselling Services Unit at JU

JAMMU:

Reinforcing its commitment to promoting mental health and emotional well-being on campus, the University inaugurated the University Counselling Services Unit. The Unit was inaugurated by Dr. Sunita Siwach, Joint Secretary, University Grants Commission (UGC), in the presence of Prof. Umesh Rai, Hon'ble Vice-Chancellor, Prof. Neelu Rohmetra, Dean Research Studies, Prof. Sangita Gupta, Dean Planning and Development, Prof. J P Singh Joorel, Dean Academic Affairs, Dr. Neeraj Sharma, Registrar, senior functionaries of the University, faculty members, officers, staff and students. The inaugural ceremony was organized at the TBS Convention Centre.

Congratulating the University for establishing the Counselling Services Unit, Dr. Sunita Siwach described mental health and well-being as a national priority in higher education and said that the UGC's initiative extends beyond addressing students' concerns to promoting the well-being of the entire academic community, including faculty members, non-teaching staff and parents.

She informed that the Commission is further strengthening the framework by establishing dedicated Mental Health and Well-being Centres in Higher Educational Institutions, supported by multidisciplinary committees and trained mental health professionals. Stressing the need for a scientific and professional approach, she said mental health support must be delivered by qualified professionals, with equal emphasis on

prevention through awareness, sensitization and early intervention.

Highlighting the comprehensive framework envisaged by the UGC, Dr. Siwach said institutions would undertake regular screening, timely referrals to specialized healthcare facilities, continuous follow-up of cases and active engagement with parents wherever required. She informed that Higher Educational Institutions would document awareness campaigns, orientation programmes and counselling initiatives through the MANAS Setu Portal, facilitating periodic monitoring and annual reporting in accordance with the directions of the Hon'ble Supreme Court and the Ministry of Education.

Appreciating the proactive efforts of the University, she ex-

pressed confidence that the institution would emerge as a model for promoting mental health and emotional well-being on campus.

In his Presidential Address, Prof. Umesh Rai, Hon'ble Vice-Chancellor expressed gratitude to Dr. Sunita Siwach and Counsellor Shweta Jain for their support in taking the University's counselling initiative forward. He said that the establishment of the University Counselling Services Unit reflects the University's commitment to implementing the UGC guidelines on mental health and well-being. While appreciating the intent behind these national initiatives, he observed that State Universities often face significant financial constraints in translating such guidelines into practice and expressed hope that the Government of India

and the University Grants Commission would extend dedicated financial support for strengthening student welfare initiatives.

Emphasizing the larger social responsibility of educational institutions, Prof. Rai observed that changing family structures, increasing mental health concerns among youth, substance abuse and narco-terrorism have made the availability of professionally trained counsellors more important than ever. He announced that the University would prioritize strengthening the Department of Psychology, facilitate the training of counsellors and support research-based interventions, including surveys and scientific studies, to address these emerging challenges. Calling upon faculty members, officers, non-teaching staff

and students to actively contribute to this mission, he reaffirmed the University's resolve to build a compassionate, inclusive and mentally healthy campus while serving the larger interests of society.

Earlier, Shweta Jain, Counsellor, University Health Centre, presented the vision, objectives and services of the newly established University Counselling Services Unit. She described the Unit as a safe, confidential and non-judgmental space where students, research scholars, faculty members and non-teaching staff can seek professional support without fear of stigma. Stressing that mental health is as important as academic achievement, she highlighted the growing mental health challenges among young people and underscored the need for early intervention, awareness and scientifically guided counselling by trained mental health professionals. She informed that the Unit will provide individual and group counselling, awareness and sensitization programmes, preventive outreach, crisis intervention and referral services with the objective of creating a campus culture where seeking help is regarded as a sign of strength and emotional well-being becomes an integral part of academic excellence.

The proceedings of the programme were conducted by Mansi Mantoo, Media Officer who also presented a formal vote of thanks.

The inaugural function was attended by Deans, Directors, Rectors, Heads of teaching departments, officers, office bearers of various University associations, staff, scholars and students.

Historic breakthrough for JU:

Vice-Chancellor also appreciated the efforts made by his predecessor Vice-Chancellors and University administration in pursuing the issue over the years.

“The University has grown considerably over the years, with new academic programmes, research initiatives and student facilities adding to its requirements. The availability of the vacated land will help us plan future development in a more systematic manner and create the infrastructure required for our students, scholars and faculty,” Prof. Rai said.

“This has been possible because of the support and cooperation of all those involved. The University is grateful for this collective effort and will make the best possible use of this opportunity to strengthen its academic and research facilities for the benefit of its students and scholars,” the Vice-Chancellor said.

With the fulfillment of the long-pending requirements, the University would plan the utilization of the additional space with a long-term perspective, with emphasis on developing academic and research infrastructure, innovation and student facilities.

Gold medalists honoured by VC in

the University takes immense pride in celebrating the achievements of its students. He remarked that every gold medal represents a benchmark of academic distinction and reflects the University's commitment to nurturing talent.

Prof. Rai expressed confidence that the medalists would bring further recognition to the University through their accomplishments, character and commitment to excellence. He encouraged the awardees to remain connected with their alma mater and continue making meaningful contributions in their professional and social lives.

Prof. Neelu Rohmetra extended her congratulations to the achievers and wished them success and fulfillment in all their future endeavors. She expressed hope that they would carry forward the values learnt at University and use their knowledge and abilities to make positive contributions in society to improve the lives of those around them.

Prof. J. P. Singh Joorel also congratulated the awardees and observed that universities are remembered through the achievements of their alumni.
