#### A few important terms to know:

- **course** shall mean a paper which is taught for at least one semester as a part of a subject.
- Host institution (HI) means institution which offers a particular course on SWAYAM.
- Parent Institution (PI) means institution where student is enrolled as a regular student.
- USC means UGC SWAYAM Coordinator
- USM means UGC SWAYAM Mentors
- DLMC means Digital Learning Monitoring Cell
- DSC means Departmental SWAYAM Coordinator
- DCC means Departmental Course Coordinator
- SAC means SWAYAM Academic Cell

## **Operational Points for Department**

### So How to go about:

- Departmental SWAYAM Coordinator (DSC)
  - Each Department <u>can have only</u> one DSC
- Department Course Coordinator (DCC)
  - but <u>can have more</u> than one Course Coordinator.

These roles can be interchanged or combined depending on the faculty strength in the Department

- SWAYAM Academic Cell (SAC) Creation of SWAYAM Academic Cell for each Department or Faculty,
  - for handling approval of new SWAYAM courses from time to time is recommended, as it might not be possible to hold BOS meetings every six months when the new courses are notified by the UGC /National Coordinators.
  - Alternatively, <u>DAC may be empowered to take the decisions regarding the approval of</u> SWAYAM courses.

## 2. CREATION OF SWAYAM ACADEMIC CELL (SAC)

 In view of the fact that it is not feasible for the Board of Studies to meet frequently and since the SWAYAM courses are to be notified after every 6 months (June & November), and that there is a dynamic list of courses from which students have to opt from, hence it is recommended that

the SWAYAM Academic Cell (SAC) be created in each Department. The respective BOS shall authorize the Convener, BOS, Departments and the committee members of the SWAYAM Academic Cell (SAC) or Departmental Affairs Committee (as the case may be) to select the newly notified courses, well in time and the action taken may later be vetted through

appropriate academic bodies. Similar structure may also be adopted by the anniated Colleges.

 The respective Convener of BOS shall decide the constitution of SAC, with DSC/CSC as one of the members, to execute the task of identifying new MOOC courses to be offered (every six months). In the absence of the SWAYAM Academic Cell, DAC of the department shall execute the task of identifying new MOOC courses.

#### We need to discuss:-----

#### **Constitution of**

SAC: 1. DSC 2. ? 3. ?

Or DAC?

#### **Course Cordinators:**

After identification of Courses, after every Six months.

**Course Selection:** 

.....Next slide

#### **Course Selection Criteria**

- It is pertinent to mention that UGC has suggested that an institution can allow up to 20% of the total credits to be earned from SWAYAM platform.
- Emphasis should be on identification of job oriented/ready SWAYAM Courses for UG/PG level on SWAYAM portal, as also emphasized in the NEP-2020. Furthermore, these courses, selected from SWAYAM platform, should be such that they are not similar to the courses offered in the present course curriculum, (unless absolutely necessitated by dearth of faculty for teaching a particular important course); as it may otherwise lead to duplication and repetition of the same course/s.

#### **Standing instructions for SWAYAM Implentation**

- A minimum of one course of 4-credit has to be earned,
- Preferably for earning the required 4 credits, a single course must be selected from SWAYAM Platform.
- The student can select courses either from technical (NPTEL) and nontechnical (UGC) MOOCS from SWAYAM Portal (www.swavam.sov.in)
- In case the credits are not specified for a given MOOC, the DSC must ensure a minimum of 12 weeks(72 hrs) course to qualify for the 4-credit course.
- However, final combination of earning 4 credits shall be left to the DSC and the students, which must be completed on or before 3<sup>rd</sup> semester.
- MOOCs will be treated as Open Elective Course in lieu of open elective course of 3rd semester course offered by University
- The student must complete the SWAYAM course successfully before the commencement of the final semester of a stream or discipline.

- Students can select the MOOC course of their choice from a pool of courses selected by the Department.
  - of any stream or any other course of their choice with prior information to. Departmental SWAYAM Coordinator (DSC)
- and it shall be the duty of the Departmental SWAYAM coordinator (DSC) to forward these selected new courses through the convener, BOS, under information to Dean Academic Affairs.
