

Cleanliness Drive under Swachh Bharat Abhiyan on 22nd April ,2022

On the 22nd of April 2022, a commendable initiative took place at the campus under the banner of the Swachh Bharat Abhiyan, where students enthusiastically participated in a cleanliness drive. The event aimed to instill a sense of responsibility towards maintaining cleanliness and hygiene in the surroundings while contributing to the national campaign for a cleaner India. From early morning, students from the departments gathered with brooms, dustbins, and gloves, ready to start their mission to clean the campus. Beyond the physical act of cleaning, the event served as a platform for raising awareness about the importance of cleanliness and its impact on health and well-being. Through posters, slogans, and interactive sessions, students educated their peers about proper waste disposal practices and the significance of maintaining a clean environment. The cleanliness drive also fostered a sense of camaraderie and teamwork among the students, as they worked hand in hand towards a common goal. Bonds were forged, friendships strengthened, and a shared sense of pride in their collective achievement emerged. The event concluded with a sense of fulfillment and satisfaction among the participants, knowing that their efforts had made a tangible difference in improving the aesthetics and hygiene of their campus. It served as a reminder that small actions, when multiplied, can lead to significant outcomes, echoing the ethos of the Swachh Bharat Abhiyan.
