

## Visit to Jammu University

HGS Jammu Class XII students visited Department of Electronics, Jammu University on 26<sup>th</sup> of July, 2022. A total of 25 students from science stream and two faculty members visited there. The main objective of the visit was to make the young minds aware about the recent research activities, career opportunities and showcasing the infrastructure and equipment's of labortary and research labs. The event was coordinated by Dr. Parveen lehana (HOD, M.Sc. Electronics, NET JRF in Physical Science and Electronics, Ph.D. Electrical Engineering from IIT Bombay) , Dr Rakesh Vaid(M.Sc. Electronics, PG Diploma in Electronics, Ph.D. in Electronics) and Dr Susheel Sharma (M.Sc. Electronics, PG Diploma in Electronics, Ph.D. in Electronics).

The session was keenly listened by students which help them to raise question and know the answers from the resource person.

Lab visits and simultaneous experiment demonstration was carried just after the lectures which makes the students highly interactive. The refreshment was also arranged by the department. Overall session was very effective and helpful for the participants.
