Department of Physics

Farewell Ceremony - "Arrivederci: Until We Meet Again"

The Department of Physics organized farewell ceremony, "**Arrivederci: Until We Meet Again**," on **12 June 2026 (Friday)** in honour of the outgoing Batch of 2024. Hosted by the junior batch, the programme was a graceful tribute celebrating the academic journey, achievements and enduring bonds of their seniors.

The occasion was graced by the Head of the Department, Prof. K. K. Bamzai, distinguished faculty members, departmental staff, research scholars and a large gathering of senior and junior students. The event reflected the Department's enduring commitment to academic excellence, scientific inquiry, collegiality and mutual respect. The Head of the Department in his address to outgoing students emphasizes to become a good citizen and brings laurels to department.

The programme featured a series of engaging activities that fostered enthusiasm, fellowship and meaningful interaction. A notable highlight was the conferment of the **Mr. Fresher and Miss Fresher titles upon Mr. Mubashir Nisar and Miss Sonika Sharma**, respectively.

As a gesture of appreciation, the junior batch presented mementoes and personalized appreciation tags, thoughtfully acknowledging the distinctive qualities and contributions of every graduating student.

A sumptuous lunch provided an opportunity for faculty and students to celebrate together and relive cherished memories. As the ceremony drew to a close, the occasion assumed a reflective and emotional tone, marking the culmination of a significant academic journey and the beginning of new aspirations.

The outgoing Batch of 2024 will be remembered as a vibrant, dynamic and accomplished cohort whose academic commitment, leadership and active participation enriched the Department's tradition of scientific inquiry, intellectual

excellence and scholarly pursuit. Their contributions have become an enduring part of the Department's legacy and will continue to inspire future generations of students.

The Department of Physics places on record its sincere appreciation to the junior batch for organizing a dignified and memorable farewell ceremony and extends its heartfelt best wishes to the graduating Batch of 2024 for continued success, fulfilment and distinction in all their future academic and professional endeavors.

"! LIVE LONG DEPARTMENT OF PHYSICS !"

Some Glimpses of Farewell Function

BEST OF LUCK TO THE BATCH 2024 - 2026
