JAMMU

 **Jambu Lochan Boys Hostel**

About the Hostel

Jambu Lochan Boys Hostel was established on December 31, 2018, and was inaugurated by the Hon'ble Governor Shri Satyapal Malik.

Salient Features of the Hostel

- ▣ Exquisite infrastructure
- ▣ Progressive vision
- ▣ Healthy and pollution free environment
- ▣ Co-curricular Activities
- ▣ Internet Facility
- ▣ CCTV Surveillance
- ▣ Dining Facility

EXISTING INFRASTRUCTURE

The hostel has a 3 story building. Ground floor has 1, while the second and third floors each have 2 washrooms. Having one water cooler on each floor of the hostel. It ensures easy access to drinking water for the boarders without having them go too far. The hostel has a remarkably spacious and immaculately clean dining hall, providing excellent meal facilities for its residents. The hostel has two study rooms, one on the 1st floor and another on the 2nd floor, specifically designated for the boarders. These rooms are likely provided to offer a quiet and conducive environment for studying or doing academic work. The hostel also has a guest room for accommodating the guests of its boarders as it allows boarders to host their guests without them needing to find accommodation elsewhere, fostering a sense of community and convenience within the hostel environment.

Study Room

Hostel has two study rooms with well-equipped furniture and a quiet environment which is beneficial for boarders to focus on their studies. It provides a dedicated space where boarders can concentrate on their studies without distractions, which can be crucial for academic success.

Study Room

Recreation Hall

The hostel has a recreation hall with a vibrant space designed for relaxation and social interaction. As you enter, you're greeted by a cozy atmosphere with comfortable seating arrangements arranged around a large flat-screen TV mounted on one wall. The TV is typically connected to various streaming services, providing a range of entertainment options for the residents. Adjacent to the TV area, there's a section dedicated to indoor sports facilities which encourages friendly competition and recreational activities among the boarders. The room is well-lit with ample natural light during the day and soft ambient lighting for evening gatherings.
