A total of **over 80 participants** enthusiastically took part in the drive, including:

His presence greatly motivated the participants and reinforced the University’s commitment to maintaining a clean and green campus. He appreciated the efforts of the department and encouraged everyone to adopt cleanliness as a continuous practice rather than a one-time event.

This activity, held under the umbrella of the **Sewa Parv celebrations**, was also in alignment with the broader goals of the **Swachh Bharat Abhiyan**, strengthening the Department’s dedication to environmental responsibility and sustainable campus development.
