

## **SWAMI VIVEKANANDA BOYS HOSTEL** **UNIVERSITY OF JAMMU, JAMMU**

### **About the Hostel**

Swami Vivekananda Boys Hostel was established on August 1986 and was inaugurated by the Hon'ble Vice Chancellor Sh. M.L. Lakhanpal.

### **Salient Features of the Hostel**

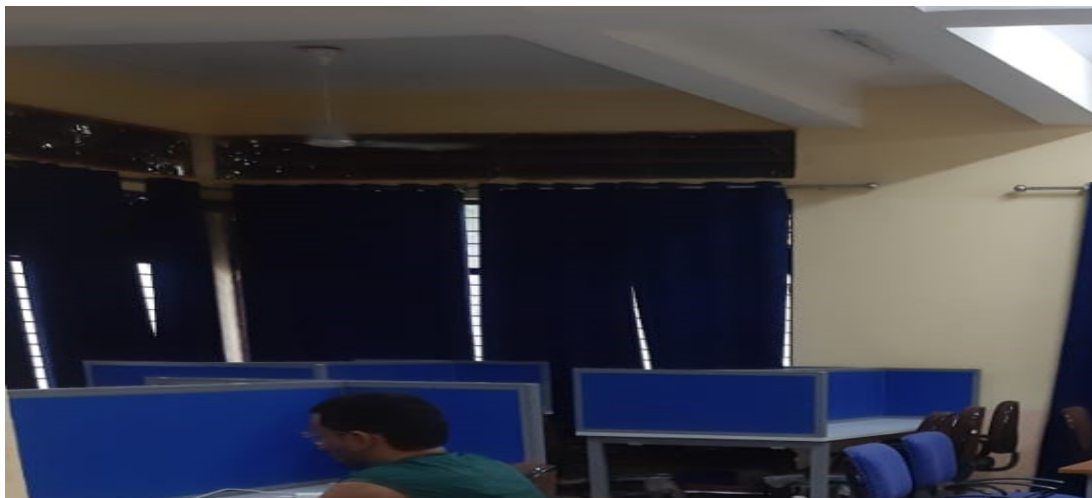

- Exquisite infrastructure
- Progressive vision
- Healthy and pollution free environment
- Co-curricular Activities
- Internet Facility
- CCTV Surveillance
- Dining Facility
- Reading Room

### **Existing infrastructure**

The hostel has a 3 story building. Ground floor has 4 washrooms, whereas second and third floors have 4 washrooms each. There are two water coolers on each floor of the hostel to ensure easy access to drinking water for the boarders. The hostel has a remarkable spacious and immaculately clean dining hall, providing excellent meal facilities for its residents. The hostel has one study room, specifically designated for the boarders. These rooms are likely provided to offer a quiet and conducive environment for studying or doing academic work. The hostel also has a guest room for accommodating the guests of its boarders as it allows boarders to host their guests fostering a sense of community and convenience within the hostel environment. There are also two

### **Study Room**

Hostel has one study rooms with well-equipped furniture and a quiet environment which is beneficial for boarders to focus on their studies. It provides a dedicated space where boarders can concentrate on their studies without distractions, which can be crucial for academic success.

### Recreation Hall

The hostel has a recreation hall with a vibrant space designed for relaxation and social interaction. As you enter, you're greeted by a cozy atmosphere with comfortable seating arrangements arranged around a large flat-screen TV mounted on one wall. The TV is typically connected to various streaming services, providing a range of entertainment options for the residents. Adjacent to the TV area, there's a section dedicated to indoor sports facilities which encourages friendly competition and recreational activities among the boarders. The room is well-lit with ample natural light during the day and soft ambient lighting for evening gatherings.
