1. Introduction
The department is offering an undergraduate course in English Language and Literature. The course is designed to provide students with a solid foundation in the English language and literature. The course is divided into two parts: English Language and English Literature. The English Language part focuses on grammar, vocabulary, and writing skills. The English Literature part focuses on the study of English literature from the 18th to the 20th century. The course is taught by experienced faculty members who are experts in their respective fields. The department also offers a variety of extracurricular activities, including workshops, seminars, and guest lectures. The department is committed to providing a high-quality education and to fostering a love of learning among its students.
