

Report on the students witnessing the live announcement of the 2025 Nobel Prize in Physics held in the Department of Physics, University of Jammu on 26th September 2025

The Department of Physics, University of Jammu, organized a special session on 26th September 2025, where the students and faculty members gathered to witness the live announcement of the 2025 Nobel Prize in Physics. The event aimed to inspire students by engaging them with one of the most prestigious recognitions in the field of science.

The session was held in the departmental seminar hall, where the live broadcast of the Nobel Prize announcement was streamed. Faculty members provided insightful commentary on the importance of the Nobel Prize, the selection process, and the global significance of ground breaking research in physics.
